INFORM

Meta Estate Trust S.A. informs its shareholders and investors that it has launched a community on WhatsApp dedicated to Meta Estate Trust investors in order to proactively communicate with investors.

Alexandru Bonea, CEO of Meta Estate Trust: "We innovate through the business model we propose and we are open to innovate in the relationship we build day by day with investors. We want to stay in constant contact with investors through better communication and high transparency. The creation of Meta Estate Trust's dedicated investor WhatsApp community is a proactive communication tool that will give those interested in the company's business the opportunity to stay abreast of the latest information, updates and developments."

Those interested in joining Meta Estate Trust's dedicated investor WhatsApp community can do so by visiting the following link - [META Estate Trust Community](#).

All announcements submitted to the community will contain public information.
